

afford to be wrong! Jesus said that you “must be born again” and as such you will be “born of the Spirit” (John 3:7, 8). No earthly baptism can save you. You need a heavenly one, a spiritual one, and only God can give you such needful new life.

If you think simply going to church or being a church member will save you from hell, think again. You can't afford to be wrong! “For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: Not of works, lest any man should boast” (Ephesians 2:8). Grace means undeserved favour, and faith means trust.

The Bible tells us how we all as sinners can avoid hell and attain heaven. Today, begin anew by trusting in God's free gift of salvation and not in works. Prayerfully trust Jesus Christ and Him alone “For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him. For whosoever shall call upon the name of the Lord shall be saved” (Romans 10:12-13).

“The way of life is above to the wise, that he may depart from hell beneath” (Proverbs 15:24).

If you think there is no such place called hell, think again. You can't afford to be wrong! The Bible assures you that there is such a place. In 1898 Solomon B. Shaw wrote a book entitled, *Dying Testimonies Of Saved And Unsaved*. He collected the striking accounts of 236 people laying on their deathbeds. Many beheld the delights of heaven yet some screamed in torment at what was rudely awaiting them. This book is still in print.

If you think hell is not all that bad of a place, think again. You can't afford to be wrong! It is the opposite of heaven; no light, no food, no friends, no rest, no peace, no comfort, no joy, no hope. Rather, only hunger, thirst, anguish, pain, fear, darkness, danger, and dread. A paramedic was once pounding on a man's chest to revive his failed heart. Such medical treatment is very painful, yet the heart-attack victim called out to the paramedic, saying, “Don't stop. I'm in hell!” This paramedic experienced other similar accounts.

If you think that nothing exists beyond this life and the grave, think again. You can't afford to be wrong! In the recent 2021 census, 40 percent of Australians ticked the ‘No Religion’ box. This implies that they are atheist. They have no belief in God. Yet the marvel of creation clearly shows you there is a God (Romans 1:19-20).

You Can't Afford to Be Wrong!

HEAVEN is a glorious place most people hope not to miss. However, there is only one way to get there, so you can't afford to be wrong. More importantly, the Bible warns of a horrible place called HELL which is reserved for unbelieving sinners! On this last matter you absolutely cannot afford to be wrong.

If you think you are a good person and will easily avoid hell, think again. You can't afford to be wrong! The Bible says that “there is none that doeth good, no not one” (Psalm 53:3). We have all broken several of God's Ten Commandments, so the only true claim we have before God is that we are guilty sinners in need of His salvation.

If you think your good deeds will save you from hell, think again. You can't afford to be wrong! The Bible clearly tells us, “Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost; Which he shed on us abundantly through Jesus Christ our Saviour” (Titus 3:5).

If you think adherence to your own religion will save you from hell, think again. You can't afford to be wrong! No one's religion can save them; not even the Christian religion. Christ alone is Saviour. God's incarnate Son died on a cross to save you from your sins. Salvation, therefore, exists in a Righteous Person, not in a religious place.

If you think your Christian infant baptism will save you from hell, think again. You can't
